

Associate – Financial Reporting Valuation Practice (Boston)

Overview of Employer:

Valuation Research Corporation (VRC) is an independent 45-year-old valuation firm providing valuations and financial opinions for financial reporting, tax reporting, and transaction purposes. We have served more than half of the Fortune 500 and many leading hedge funds and private equity firms. Please see www.valuationresearch.com for a further company description.

Job Overview:

- **Position:** Associate (senior analyst level)
- **Location:** Norwood, MA
- **Start Date:** Immediately
- **Compensation:** Base salary plus bonus (quarterly and year-end merit)

Job Description:

The position is in our financial reporting valuation practice, which primarily conducts valuations for stock compensation (ASC 718 / 409A), purchase price allocations (ASC 805), and impairment testing purposes (ASC 350 / 360). This position will also have exposure to valuations for international tax restructuring purposes. The position is ideal for someone interested in gaining exposure to a wide range of valuation assignments involving private equity sponsored portfolio companies and public companies.

Primary Job Responsibilities:

- Build, modify and utilize financial models for business enterprise (DCF, market multiples, etc.) and intangible asset valuation (excess earnings method, relief-from-royalty, etc.)
- Value complex securities and contingent consideration using option pricing and Monte Carlo simulation models
- Synthesize company background materials, industry dynamics, capital markets data, and valuation analysis into client-ready deliverables

Position Requirements:

- 3 to 5 years work experience at a valuation firm or public accounting firm
- Undergraduate BS or BA, or a Graduate MS or MBA degree in Finance. Any coursework in valuation or securities analysis is a plus.
- CFA designation or be in the process of obtaining it
- Advanced knowledge of Excel
- Effective communication skills, strong attention to detail, and analytical capabilities are essential
- Ability to work on multiple assignments, prioritize tasks, and handle dynamic, time-sensitive engagements in a small team setting.
- Strong work ethic and ability to work flexible hours around critical due dates.
- Applicants must have unrestricted authorization to work for any employer in the U.S.
