We welcome you to learn more [about us](#).

Job Overview:

- **Position:** Vice President - Financial Reporting
- **Location:** Boston (Norwood), MA
- **Start Date:** Immediate

Job Description:

This Vice President position is in our financial reporting valuation practice, which primarily conducts valuations for purchase price allocation and impairment testing purposes under ASC Topics 805, 350 and 360. The position is ideal for someone interested in a wide range of valuation assignments involving both private and public companies.

Job Responsibilities:

- Engagement management, with the ability to take most assignments from beginning to end
- Supervision of Analysts with technical judgment, project execution, and review of work
- Builds and maintains ongoing client relationships
- Works closely with Business Development Professionals to develop opportunities, including scoping of work and preparing engagement letters
- Gather and document pertinent data obtained through client interaction
- Conduct research on clients, competitors, industries, and capital markets, including market multiples, financial ratios, and discount rates
- Build, modify and utilize financial models for business enterprise (DCF, market multiples, etc.) and intangible asset valuation (excess earnings method, relief-from-royalty, etc.)
- Perform valuations of companies and their intangible assets across a wide range of industries using relevant qualitative information gathered and through the application of proprietary quantitative valuation models
- Prepare formal client reports

Job Requirements:

- Minimum of 5 years work experience in a valuation capacity
- Undergraduate BS or BA, or a Graduate MS or MBA degree in Finance. Any coursework in valuation or securities analysis is a plus
- CFA and/or ASA designation(s) achieved or in process
- Advanced knowledge of Excel
- Strong oral and written communication skills and superior analytical capabilities are essential
- Self-starter / problem-solver and ability to master new tasks quickly
- Ability to work on multiple assignments, prioritize tasks, and handle dynamic, time-sensitive engagements in a team setting
- Strong work ethic and ability to work flexible hours around critical due dates
- Applicants must have unrestricted authorization to work for any employer in the U.S.

Compensation:

- Base salary plus bonus (quarterly and year-end merit)
